## Pickwick Cottage

The former Corn Barn in the farmyard

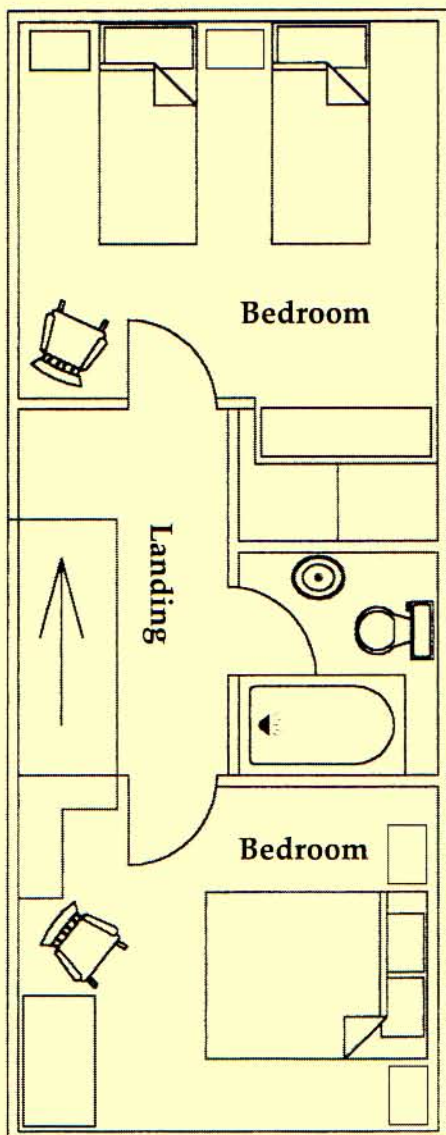

Accommodates four people plus baby and/or toddler.

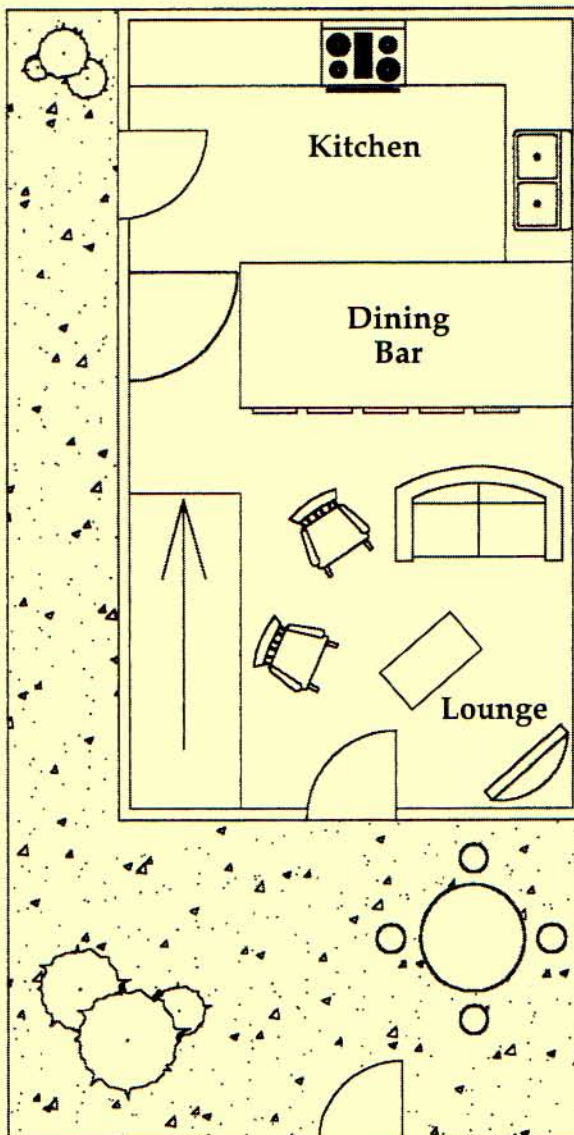

A typical Somerset natural stone grain barn, sympathetically converted to retain its charm and character. A stones throw from the field gate and with views beyond of open green and pleasant countryside. Ample parking in the courtyard.

The stable door leads into the **Kitchen**, fully-fitted with microwave, and the **Dining Area** is adjacent. The **Lounge** is inviting with its original beams, alcoves and Mr. Pickwick memorabilia. One steps through the front door onto the covered veranda and patio, fenced all round. Up the easy staircase to **Two** airy **Bedrooms**, one with double bed and the other with two full size singles. A cot or child's bed fits nicely in the double room. The **Bathroom** has a shower over the bath.
