Prospect Cottage

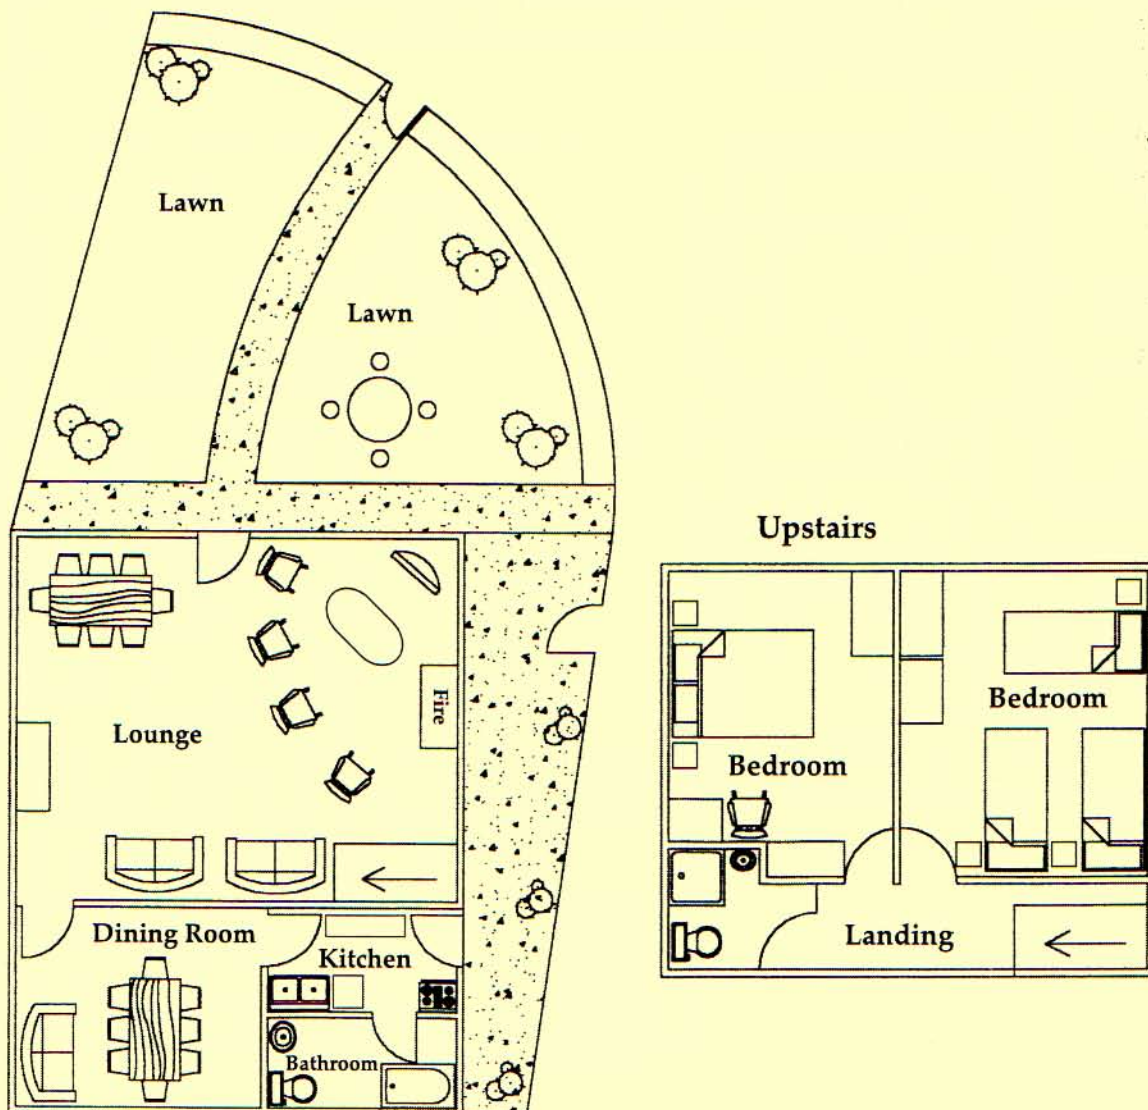

The former Village Wheelwright's Home

Accommodates up to eight people plus baby.

A 17th century property, lovingly restored by local craftsmen, in its own walled flower garden with front and back entrances and ample parking in the courtyard. From the former Parlour's bow window looking east can be seen the free range chicken and duck pens.

The back door opens to the **Galley Kitchen**, fully fitted with microwave, leading on to the **Dining Room** which doubles as a third bedroom (4' bed settee). The ground floor **Bathroom** is convenient for the elderly and children. The **Lounge**, comfortable for eight, with old beams, brick fireplace and single 3' bed settee, has a further dining area, and the front door opens onto the flower garden. Climb the quaint staircase to **Two** cosy **Bedrooms**, one with double bed and the other with three full size singles. A cot fits easily in the double room. Upstairs is served by a **Shower Room** with toilet.
